

# Merry 2023 Christmas

**Thank you for your many prayers  
and support over the years.**

## Greetings

***"They will still bear fruit in old age,  
they will stay fresh and green."* Psalm 92:14**

At 78 years of age, I marvel at what God can do. Intensive Care Ministries, home of Inductive Bible study, has become even more fruitful in these later years. God has given us an amazing staff in Tanzania, Philippines, South America, Pakistan and India. In Tanzania, Jim and Janice Larson have developed nine Bible Schools for pastors that gives them in-depth training in expository teaching.

Our oldest daughter, Lela, continues to teach special education at a middle school. Her husband Frank pastors Calvary Christian Fellowship in Colton, California. Our second daughter Corrie teaches junior high online classes through a public charter school. Her husband Chris is a Construction Consultant Manager.

Our Nathan has his own business, Finrock Web Design. His wife Alyssa assists him and home schools their two children.

We also have schools in the Sudan, Kenya and soon Liberia. I have had the privilege of taking the IBS into 56 countries around the world. There are hundreds of pastors and leaders who have learned the IBS and are teaching it in their churches and schools. What a privilege to have a small part in what He is doing.

***"Now when I am old and grayheaded,  
(baldheaded) O God, do not forsake me,  
Until I declare Your strength to this generation,  
Your power to everyone who is to come."***  
Psalm 71:18

Debbie and I adopted (not legally) a young man I met years ago in Pakistan, Asim Ashiq, who experienced severe persecution and had to flee for his life. We were able to get him into America and he now lives near us. He just got his LVN degree and will soon be working in the medical field.

We are blessed to have 10 grandchildren and 2 great grandchildren.

***God has done great things***

***Love, Dan & Debbie***
